

Le Chant Blanc

2023

Le Chant Wines epitomize a collaboration between French and South African wine partners, united by a shared vision of producing terroir-specific wines. The Blanc is produced from grapes grown on our estate in the Polkadraai ward, Stellenbosch region.

Wine of Origin, Polkadraai Stellenbosch

100% Chenin Blanc

Tasting Notes

This wine features a full, rich palate characterized by layered aromas of stone fruit, orange blossom, and a hint of white apple. It maintains a harmonious interplay of oak, acidity, and fresh minerality on the mid-palate.

Maturation

The Blanc undergoes fermentation in partly small stainless steel tanks and old French oak barrels. For 8 months a portion of wine spends time on the lees in French barrels, while the remainder stays in stainless steel and cement tanks, before inevitably being blended and bottled.

Viticulture

Polkadraai vineyards face the Atlantic Ocean to the south and south-east, thus being constantly fanned by cooling breezes. The 35 year old vineyard naturally allows sufficient sunlight to penetrate bunch zone for even ripening.

Farming Practices

Organic.

Aging Potential

5 to 8 years
